This meditation class is the perfect way to learn how and why to meditate in the way the Buddha taught. This class is free and open to the public. No need to register.

We will cover:

- Meditation posture
- Why we meditate
- The problems that happen in our meditation and how to overcome them
- Breathing meditation
- Loving-kindness meditation
- Meditation on the nature of the body
- Meditation on the parts of the body and the elements
- Walking meditation

The class is a mix of instructions and guided meditations. We have plenty of chairs and cushions. Don't be nervous if you've never been to a monastery or meditation class before. The atmosphere at our activities is peaceful, welcoming and very friendly.
